CANDIDATE STATUS

Candidate Status is granted to institutions that are in Basic Compliance with the TRACS Standards. Basic Compliance is the determination by the Accreditation Commission that an institution is in full compliance with all Standards related to the Institutional Eligibility Requirements (IERs) and has the ability to be in Substantive Compliance with all of the Accreditation Standards within the period of candidacy. Candidacy is for a period of up to a five-years. During that time, each institution must come into Substantive Compliance with all the Accreditation Standards, conduct a self-study, host an on-site team evaluation, and appear before the Accreditation Commission for Accredited Status by November 2021. To maintain Candidate Status, the institution must remain in compliance with all IER-related standards.

The following institution was granted Candidate Status by the TRACS Accreditation Commission after completing a successful self-study and being evaluated by an on-site evaluation team:

St. Luke University (1460 E. Holt Ave., Suite 72, Pomona, CA 91767)

At the meeting on November 1, 2016, the TRACS Accreditation Commission voted to grant St. Luke University (SLU) Candidate Status as a Category III institution. The Commission action requires that the institution submit a Progress Report by February 15, 2017, addressing any remaining recommendations and suggestions of the visiting team. Additionally, the Commission action requires that SLU demonstrate compliance with all remaining recommendations by the spring 2018 meeting of the Accreditation Commission.
