

COMMISSION ACTIONS

DEFERRAL

Georgia Christian University (6789 Peachtree Industrial Blvd., Atlanta, GA 30360)

At the April 24-26, 2017, meeting, the TRACS Accreditation Commission voted to defer granting Reaffirmation I Status to Georgia Christian University (GCU) as a Category IV institution. This action was taken because of the noncompliance of GCU with the following TRACS Standard Evaluative Criteria:

21.5 The institution did not make available library and information resources for its non-theological programs. (IER #9a)

19.6.b The institution did not demonstrate the use of direct measures to assess the achievement of student learning outcomes at the program and course levels.

The Commission action requires that GCU submit a Progress Report by August 15, 2017, addressing any remaining recommendations and suggestions of the visiting team. Additionally, GCU must demonstrate compliance with the two Criteria listed above by August 15, 2017, at which time the institution will be able to re-appear before the Accreditation Commission for consideration of Reaffirmation I status. Further, the institution must provide evidence of coming into compliance with all recommendations and suggestions by August 15, 2018, and provide documentation supporting this for presentation at the fall 2018 Accreditation Commission meeting.
