To Whom It May Concern:

RE: Accreditation Status of American Christian College and Seminary (ACCS)

The Transnational Association of Christian Colleges and Schools (TRACS) in cooperation with the Oklahoma State Regents for Higher Education allowed an accredited Teach-Out Plan for a select group of ACCS students. Students who had completed 75% of their degree program were allowed to earn an accredited degree, provided the course work was completed by May 31, 2005. All degrees granted during the Teach-Out Plan were completed while the institution was accredited. No degrees have been awarded or course work offered since the loss of accreditation by ACCS.

This institution under the names listed: American Christian College and Seminary (ACCS), American Bible College & Seminary (ABCS), and The University of Biblical Studies & Seminary of Oklahoma City was accredited with the Transnational Association of Christian Colleges and Schools (TRACS) as a Candidate for Accreditation beginning February 27, 1992 and as an accredited institution from September 23, 1998 to May 30, 2005.

The institution closed, effective August 31, 2005. Transcript requests must be made in writing to the ACCS Records Trust. This trust includes the academic records of the institution under its previous names. Requests must be accompanied by a check, credit card information, or money order in the amount of \$10.00 per transcript, payable to the "ACCS Records Trust". Each student must complete the ACCS Transcript Request Form or make a request in writing for an official transcript to the address provided with the required information provided below.
