

## NEWS ABOUT THE 2020 TRACS ANNUAL CONFERENCE

Before the pandemic, we were looking forward to hosting the TRACS Annual Conference and seeing all of you this year in Florida; but as a result of the COVID-19 interruption, TRACS has decided to cancel the annual conference this year. In its place, we are offering (via Zoom) training sessions that will focus on a series of workshops and a virtual luncheon with President Eaton. Future workshops and seminars are in development.

Make your plans now to join us and your colleagues for the following scheduled sessions:

### **Thursday, October 29, 2020:**

**Tax & Accounting – Business as UN-Usual – David C. Moja, CPA**

**2:00 to 3:15 p.m. EST**

2020 has been an unprecedented year on many, many levels. From government financial assistance (e.g., Paycheck Protection Program, CARES Act, etc.) to new accounting pronouncements, to changes in many of the announced rules, to postponements and changed due dates... Wow! It has been anything but “business as usual” this year. Let’s survey some of the most important and interesting laws, rulings, pronouncements, and relief packages and see how they might affect your school for 2020... and beyond!

### **Friday, October 30, 2020:**

**Virtual Luncheon with the TRACS President**

**1:00 p.m. EST**

Send questions or suggested topics to: [president@tracs.org](mailto:president@tracs.org)

Note that the sessions are scheduled for 75 minutes, which includes time for questions and answers.

### **Next Year:**

Please mark your calendar for next year’s  
TRACS Annual Conference:

**October 27-29, 2021**

[Hyatt Regency St. Louis at The Arch](#) in St. Louis, MO
