COMMISSION ACTIONS

CANDIDATE STATUS

Candidate Status is granted to institutions that are in Basic Compliance with the TRACS Standards. Basic Compliance is the determination by the Accreditation Commission that an institution is in full compliance with all Standards related to the Institutional Eligibility Requirements (IERs) and has the ability to be in Substantive Compliance with all of the Accreditation Standards within the period of candidacy. Candidacy is for a period of up to five years. During that time, each institution must come into compliance with all TRACS Standards, conduct a Self-Study, host an Evaluation Team, and appear before the Accreditation Commission for Accredited Status by April 2025. To maintain Candidate Status, the institution must remain in compliance with all IER-related standards.

The following institutions were granted Candidate Status by the TRACS Accreditation Commission after completing a successful self-study and being evaluated by an on-site evaluation team:

Daybreak University (1818 S. Western Ave. #200, Los Angeles, CA 90006)

Initial accreditation is for a period of five years. For Reaffirmation I, each institution must complete a successful self-study, host an on-site team evaluation, respond to the team recommendations, and appear before the Accreditation Commission by April 2025.

Reaffirmation is for a period of ten years with an Interim Fifth Year Review (IFYR). For the next Reaffirmation cycle, the institution must complete a successful self-study, host an on-site team evaluation, respond to the team recommendations, and appear before the Accreditation Commission by April 2030.
