

Job Opening

PIU is a Christ-centered, missional, community that prepares students with a biblical worldview for leadership and service in life, work & ministry in the community and around the world. As an ethnically diverse learning community, PIU seeks employees who are culturally, ethnically, and academically sensitive to the wide array of needs represented by our student body. Pacific Islands University is currently looking for candidates to fill the position of:

Chief Financial Officer & Institutional Assessment Director

JOB DESCRIPTION:

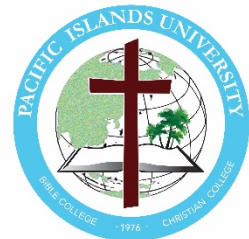

Works with and reports to the President. Works to assist and support the University with a wide range of administrative tasks, focusing on finance and the efficient, effective operation of the school. Works as the Institutional Effectiveness & Assessment Director, translating effectiveness data into proposed directions and initiatives to be presented to the Administrative Council. Provides financial forecasting as required by the university.

Collaborates with the Administrative Council in setting standards and goals for the university, and establishing the policies and procedures required to achieve them and provides oversight to the human resources department.

Also responsible for all financial and fiscal management of college operations and provides leadership in accounting and budgeting efforts for the university.

REQUIRED SKILLS:

- Master's degree in Accounting, Finance, Business or related field.
- Up to date knowledge of current financial and accounting computer applications.
- Excellent verbal, analytical, organizational and written skills.
- Experience in higher education preferred.
