ACCREDITED STATUS

Accredited Status is granted to institutions that are in Substantive Compliance with the TRACS Standards. Substantive Compliance indicates that the Accreditation Commission has determined that an institution's level of compliance is sufficient to warrant accreditation and that the institution can come into full compliance with all the Accreditation Standards within a maximum of two years. Initial accreditation is for a period of five years. For Reaffirmation I, each institution must complete a successful self-study, host an on-site team evaluation, respond to the team recommendations, and appear before the Accreditation Commission by April 2022.

The following institution was granted Accredited Status by the TRACS Accreditation Commission after completing a successful self-study and being evaluated by an on-site evaluation team:

John Witherspoon College (4021 Range Road, Rapid City, SD 57702)

At the April 24-26, 2017, meeting, the TRACS Accreditation Commission voted to grant John Witherspoon College Accredited status as a Category II institution. All recommendations and suggestions of the visiting team have been brought into compliance. No further reports are required at this time.
